

# Overview of system for transfer, management, and utilization of Dormant deposits (Tentative)

\*1 The Prime Minister will designate one organization, which is a general foundation with a sufficient financial and technical basis.  
 \*2 The Act specifies that grants, loans, etc. to Organizations carrying out social purpose activities are limited to non-governmental activities difficult for government to perform or for which existing measures are inadequate.  
 \*3 The Business Report, based on the business reports of Organizations carrying out social purpose activities and Funds distribution organizations, will be submitted to the Prime Minister.  
 \*4 It is expected that lending will be handled by a party involved in the lending business (e.g., NPO banks, foundations).  
 \*5 It also is expected that the Designated Utilization Organization will lend funds to Organizations carrying out social purpose activities directly through subcontracting such operations to financial institutions etc.  
 \*6 Corresponding to Big Society Capital in the UK.
